

## **Welcome to the Càmping La Ribera**

Annex to the “Reglament de Règim Interior” from the Federació Catalana de Càmpings i Ciutats de Vacances

1. From 23 to 7 h. the entrance and circulation of vehicles inside the camping is not allowed (bicycles included). During these hours, they must be parked in the parking area, and the camper should enter the campsite by foot in silence.
2. Both in the yard and inside the camping, the maximum velocity allowed is 10 Km/h. Be aware of the indicated one way direction. Use the vehicles the less you can. Do not leave their motors running, and do not repair and wash them inside the camping. The vehicles must be parked in the given plot or in the parking area, being aware they do not difficult the traffic of other vehicles.
3. Motorcycles circulation is forbidden (except when it is the camper’s unique vehicle).
4. Respect both the other campers and the environment. Try not to do unnecessary noises, and be aware of the low volume of your radios, televisions, etc. From 23 to 7 h. the silence must be even major.
5. Do not use any plot but yours.
6. Fire must be always under control, and only made by gas or coal inside a barbecue with the maximum safety measures. Any other combustion is forbidden (specially wood or cones). Once the fire is extinguished ad the coal is cold, it must be deposited in the rubbish container (never in the gardens, trees, or on the ground).
7. It is necessary to collect the rubbish in a separated way (paper, glass, plastic, batteries, oils and greases), and leave it in the containers located outside the camping. Please, do not leave any rubbish (nor liquid nor solid) on the ground, in the gardens, trees, water sources, etc.
8. It is not possible to do holes or trenches in the plots. Any action in the plot’s ground must be consulted with the manager of the camping. Cultivation directly on the ground is forbidden.
9. The sources in the camping are only points of water: do not wash or clean nothing there with chemical or natural products. When using watering hoses, they must be picked up after their use. Do not waste the water, since it is a scanty natural resource.
10. Please do not hang any object in the trees, plants, walls and fence. Do not tie there any tilt, cable or cord.
11. Children until 6 years old can not go alone to the toilets. Minors can not enter the swimming-pool without an adult being responsible for them.
12. Only one pet per plot is allowed. It must be always tied, and never enter the other plots, the toilets, the swimming-pool or the sports field and any other common space except the path. Its owner must be always responsible of its acts and, both in and out the camping, pick up its excrements and put them in the rubbish container.
13. People not lodged in the camping cannot enter its installations. However, the camper can introduce friends and relatives inside the camping under his/her responsibility. They must accept the current rules, and be registered in Reception. When staying more than one hour inside the camping, they must pay according the prices list.
14. The installations and services must be respected, trying to maintain them as properly. (The key for the nursery and the handicapped people’s toilet must be asked for in the Reception).

In case of any doubt, necessity or suggestion, we beg you to contact the Direction of the camping .  
We wish you a happy and pleasant stay. Thank you very much.
